Works for me. I also recommend including Bill Denman as he will be the permanent SARDB Branch Chief starting Nov 8.

Thanks!

Thanks Christine.

Perhaps after they talk today we can set up that technical call some time in the next week or so?

Thanks

Diane

Hi Diane,

We spoke with Dana/Larry to get them up to speed on where you are so they're prepared to discuss with Pat today. Based on the memo I think we're all on the same page with the need for OSRTI and R2 to agree on the approach and then go up to OLEM (and agree on the need to go up top OLEM). Happy to discuss if that's helpful (I'm open from 12-1).

Thanks!

Christine

Good morning Christine

I am just following up on our conversation last week about Woodbrook. Has any progress been made on setting up another meeting to flush these issues out? FYI, Pat Evangelista is supposed to be talking to Dana today.
